Supervisor W. Kahler called the Special Meeting to order at 4:00 p.m. The purpose of this meeting is to receive information gathered from the committee/business members working towards forming a Downtown Development Authority (DDA) in the Delton area of Barry Township.

DDA Committee/business members updated board members on the benefits of a DDA. The boundaries of the DDA district were indicated on a map and presented to members for review/discussion. A 20-year perspective of the total assessed value of the DDA district and the total capture of TIF money, assuming a conservative 2% annual increase in the taxable value, was presented for review/discussion. As part of the process to establish the DDA and designate the district Barry Township must first declare its intention to create a DDA by adopting a resolution of intent setting forth the proposed boundaries of the DDA and scheduling a public hearing for these purposes. **MOTION** by L.
